EXPLANATORY NOTE

(This Note is not part of the Regulations.)

These Regulations alter the procedure for the enrolment in the Central Office of the Supreme Court of a deed poll evidencing a change of name, so as to apply equally to applicants of either sex. They require all applicants to declare their marital status, and replace the special requirements imposed on married, widowed and divorced women with a requirement that all married applicants must normally obtain the consent of their spouses to the change of name.

The Regulations also provide that in future the change of name shall be advertised in the London Gazette by the Head Clerk of the Filing and Record Department and that the applicant shall pay the cost of the advertisement in advance.
